Help to influence future care home research

We want to make sure that future care home research is focused on **what is most important to the people who matter** – residents like you.

We would like to know your priorities - where do you think future care home research could make the **biggest difference to your life?** What **questions** do you think researchers should answer about living in a care home?

Taking part can **really make a difference.**

Thank you for your time!
